Sale of a marquee by sealed bids.

The Parish Council wishes to sell its marquee and invites interested parties to submit a sealed bid with their best and final offer by **6pm Sunday 31st July 2022** to the address above, the envelope to be marked "**Marquee Bid**".

Particulars:

The marquee was purchased in 2017 (£1,762) from DIY Marquees ([6m x 12m Professional marquee](#)), and has been used three times. It has been stored under cover when not in use.

During the last use, a number of the poles were damaged, and the Council is replacing these (approx. £150), such that the marquee is complete and usable.

The marquee comprises -

6m x 12m roof

6m x 6m starter bay

6m wide extension bay (3)

13m x 2m green carpet roll (3)

4m x 6m groundsheet (3) – believed to be present but not confirmed

Festoon of lights & dimmer – believed to be present but not confirmed

Carry bags

Carry box (2)

Stakes (14)

Tie downs orange (14)

Assembly instructions.

The winning bid can make payment by cheque or BACS, but transfer of ownership will not occur until the funds have cleared in the Council's account. The buyer is responsible for collection of the marquee, at a mutually convenient time.

All parts, including the replacement poles, are included in the offer. If the groundsheet and festoon lights are present, they will be included with the winning bid, but bidders may wish to bid on the basis they may not be present.

The Council makes no warranty of the marquee, and accepts no liability for loss, damage or injury of any kind through use of the marquee once sold, other than where it can be shown the Council was negligent.

Yours sincerely,

Mark H Hunter
Clerk to the Parish Council
